It is a point for orders whether ~~a paid~~ an allowance of this kind may generally be sanctioned for work done by the village munsiff. It does not appear that such payments are made anywhere in British India. The village Self Govt Bill of Bengal & the village Civil & Criminal Justice Bill of Assam do not contemplate ~~pay~~ payment of village Munsiffs. The discussions in Council file 209 of 15 show ~~a~~ that Govt are in favour of making such payments. The question is not however definitely settled, and may have to be taken up if ~~more~~ other Councils come to make similar claims. Further whether ~~whether~~ the fact that 9 cases a month are disposed of a month is itself sufficient justification for the allowance has to be considered. If the work is entrusted to the village Panchayat as contemplated by the Govt in the Local Self Govt Act

Letter No. J.C.274/17-18 dated the 4th February 1918 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore.

I have the honour to state that the Village Munsiff's court at Kunigal which was sanctioned in Government Order J.805 dated 26th August 1916 is working from 1st November 1916. Judging from the X amount of work it has turned out for the portion of the year 1916-17 i.e., 8 months, I may state that it is satisfactory.

2. The Village Munsiff complains the want of a clerk to attend to his court work. As from a perusal of the statement of work turned out by the village courts during the year 1916-17, it is found that this court stands first in importance and usefulness and as the work turned out works up to an average of 9 cases per month, it appears to be reasonable to allow the munsiff a clerical establishment.

3. In Government Order J.3209-10 cts.209-15-4 dated 1st March 1917 on a similar representation, Government were pleased to grant a small allowance of Rs.5/- per month, to the Village Munsiff of Ballavi for securing the services of a gumasta to get through the clerical work of his court. I therefore request that Government may be addressed to accord sanction for a similar grant for the Village Munsiff of Kunigal as well.

4. No amount is specially allotted for the purpose in the current year's budget under Land Revenue. But the amount of Rs.30/- for the current year may be met with out of the savings anticipated in the provision made in the current year's budget under head 2 B. Land Revenue (II) Taluk Establishment, 6 Travelling allowance, as it was done during the previous year.

5.

5. The Village Munsiff also requests for the supply of furniture. If the Government are inclined to view this also favourably at least in the case of such of the courts as are increasing in importance, a provision for a table, chair and a bench costing about Rs.30/- may also be ordered to be supplied out of the allotment for furniture sanctioned in the current year's budget under Land Revenue. This, I may state, will also act as a stimulus for other courts to turn out more work and be more useful to the public. It will also increase the prestige of these courts.

6. These articles of furniture may be attached to the Taluk Office of the Taluk in which they are situated so that the Village Munsiff may render account for them to the local Amildar in the event of the abolition of such court.
